

USW 979 Marching

In 2019 St. Patrick's Day Parade

-  Members, Retirees, Family, and Children are all invited to march.
-  The parade **STARTS** at 2:04P on Sunday March 17. We must be staged and ready to go **no later than 1:30p**. The **staging area is at the corner of East 22nd and Superior**.
-  Transportation to and from the Parade and Union Hall will be available, however seating is limited. Call Sam Moyer (216-571-3322) to sign up for transportation. **The deadline to sign up for transportation is Tuesday Mar. 12.** Marchers may also make their own way to the staging area if they desire.
-  If you wish to park at the hall and utilize the provided transportation please be at the hall around 12noon. This will allow for multiple shuttles if necessary.
-  Please wear clothing with the local union on it; this might be a good time to try out those new knit hats we got. Also, if you wish, it might be nice to have some members in uniform with hardhats. **Please dress in layers; it is often much colder downtown.**
-  Although some people will be allowed on the float, plan on marching; the parade route is roughly 1.5 miles. Volunteers will be needed to carry the Local 979 Banner.
-  Alcoholic Beverages are **prohibited by law** during the parade and in the staging area. **Violators can be arrested.**
