

SPT – Pension Hours Request

Due to access changes made by ArcelorMittal to ensure the safety of our intranet, employee data, and systems, hourly employees are no longer able to access the Pension Earnings Report remotely. In an effort to continue to provide this data to our employees, the following process has been developed to request a Pension Earnings Report.

1. Employee may request a copy of their Pension Earnings Report by contacting Payroll Shared Services:
 - a. Via phone: 888-729-6485
 - b. Via e-mail: USAPayroll@arcelormittal.com
2. Payroll Analyst will complete the request within 24-48 hours and send to employee via fax, email or regular mail.
3. If there are any additional questions after receipt of the report, please contact your local timekeeper.

If you have any questions, please feel free to contact Payroll Shared Services at 888-729-6485.

Thank you.
